## Welcome to the 73rd

### Queen of the Chesapeake Pageant

The 2020 season has certainly been a very unusual one. The Covid-19 Pandemic has impacted every club and Princess on the Chesapeake Bay.

Clubs were forced to deeply curtail their events and openings. While the Princesses were able to attend openings, they continued to support their clubs virtually and in person, while remaining impassioned about their chosen charities.

Unfortunately, while this situation required this year's Pageant to be modified to fit within the shifting parameters called out by the Governor and local government, each of this year's Princesses have worked as hard as any of their predecessors, and deserve our support and admiration.

Inside this Queen's Kedge, you will find information about our current Queen and each Princess, as well as brief bios on this year's judges.

Because of the reduced size of this year's Queen's Kedge circulation, we also will be releasing it as an Adobe Acrobat File following the Pageant. Please be sure to support those companies who have supported the Pageant with their advertising, and let them know that you saw their names in the Queen's Kedge.

Sincerely,

The Queen of the Chesapeake Committee

# Pageant History

Racing Events, some with sailing yachts — some with hydroplanes, Regattas, a fantastic new club home — was not enough for Maryland Yacht Club Officers and members. They combined Flag-Raising ceremonies and the crowning of the “Queen of the Chesapeake” on the first Sunday in June 1947. Thus our Royal Beginning. Our first Queen was Mrs. Mae Sagerman of Towson.

In 1948 Flag-Raising ceremonies, crowning of the “Queen of the Chesapeake,” introduction of a new speedboat class and three other events for powerboats highlighted the 40th anniversary opening of Maryland Yacht Club. This event, witnessed by over 5,000 spectators, was the first of its type to be televised on the Chesapeake Bay. Miss Rachel Holmes, representing the Bush River Yacht Club won the coveted crown as she competed against six other young ladies then dubbed “Princesses.”

For many years this truly became a competition between Yacht Clubs to the ‘girl next door’ who can think on her feet and become a spectacular representative of each club. The pride that each club shows in their “Princess” is very special and feels the happiness and pride — not only of each girl and her family, but of each of the officers of her club.

Over the years, the number of Pageant contestants has greatly varied — starting with 6 clubs participating and peaking in 1997 with 20 or more entrants. Recently the number of Princesses competing ranges 3 to 8. In the early years — there were no microphones — and the audience made up of members of visiting clubs and families pressed the fence behind the judges table to hear the questions posed to the girls.

The Pageant has evolved to highlight the significant changes in roles of young women over the last 73 years, reflected in the Scoring Breakdown which equally weighs Achievements, Interview skills, and Poise/Presentation. Today’s Queen of the Chesapeake and First Runner Up will receive scholarships toward her continuing education. We still hold strong to the tradition of wearing the beautiful white gown and speaking before judges, members of the yachting community as well as friends and family members.

In 2017, the 70th Queen of the Chesapeake Pageant has grown from the Sunday segment of Maryland Yacht Club’s Opening Weekend to its own premiere, weekend long event focused on the Princesses and their achievements. The Weekend includes a themed boat decorating contest, scholarship fundraising activities, live music, food, and plenty of time to gather with friends as well as the traditional pageant ceremony. It now takes place after all the yacht clubs have had their openings, which allows the Princesses to focus on their studies during finals and to attend as many openings as possible. All of these activities have been made possible by the yacht clubs coming together and combining their efforts to making this a memorable event for these young women;

***Queen Dulayne Sterling***  
***Bodkin Yacht Club***

Hello, my name is Dulayne Sterling and I have the honor of being titled the 72nd Queen of The Chesapeake. I am soon to enter my senior year attending Chesapeake High School. I am a Principal's Honor roll student, I have completed seven AP Classes thus far, and will complete two more along with taking Abnormal Psychology at Anne Arundel Community College this school year. My GPA is 4.71, I am a member of National Honors Society, and participate in various clubs ranging from art club, to yoga club, to my charity Best Buddies. I have decided to continue supporting my charity Best Buddies throughout my reign as Queen. Best Buddies is an organization that promotes inclusion, and fights to eliminate everyday isolations faced by those with intellectual developmental disabilities. My involvement in the fight against these isolations includes mentoring, participating in numerous community activities, and spending time with the Best Buddies in school, whether it be in the lunch room, school store, or classroom. I've also participated in the Polar Bear Plunge four years in a row raising money for the Special Olympics. My hobbies include boating, paddle boarding, lifting weights, playing club soccer with Maryland united traveling, participating in Collegiate showcases, drawing, volunteering, hanging out with friends, listening to music, coaching soccer, and being with my family. In the future, I aspire to attend college in North Carolina and major in a Pre-medical track, minoring in Biology, with the ultimate goal of attending Medical school to become a Dermatologist. I am honored to be representing the Chesapeake Bay boating community at various events this year!

Queen Of The Chesapeake 2019

Queen Dulayne

***Madeline Coard***  
***Baltimore Yacht Club***

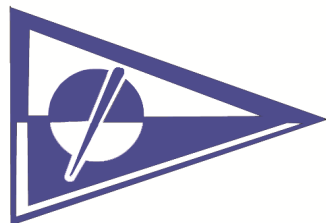

My name is Madeline Coard and I am the Princess of the Baltimore Yacht Club. I am an eleventh grade student at Bel Air High School, and member of Future Business Leaders of America, competing in events across State and Local conferences. I am also the team manager for the boys Varsity and Junior Varsity Basketball teams. I have always had an infinity for trying and experiencing new things. Over the years I have done cheerleading, soccer, softball, lacrosse, basketball, dance, horseback riding, ballet, and gymnastics. I also love to travel and have new adventures. I have been to 5 foreign countries and have visited 22 states. In the future, I aspire to attend college and am considering a major in Business or Finance. This summer, I plan on taking the Maryland Real Estate Principles class, which will allow me to take the exam to become a licensed Realtor in the spring of 2021, providing me experience and exposure to the professional business world.

Two things that I value the most are service to others and love of the Chesapeake Bay. In regards to demonstrating service to others, I have been a Girl Scout since Kindergarten and am currently a Senior Girl Scout with Girl Scouts of Central Maryland. Over the years, I have supported several charities, including the Multiple Sclerosis Society, American Heart Association, Upper Chesapeake Cancer Center, and Best Buddies, a program for disability awareness. As Princess of BYC, I have chosen to continue my commitment to funding research, programs and services to combat Alzheimer's disease and find a cure. I chose to fundraise for the Alzheimer's Foundation of America in honor of a member of BYC and because it has a 4 out of 4 star charity rating that puts most of its donations right back into the research, programs and services it delivers. In regards to love of the Chesapeake Bay, I got my sea legs before I could run, and by age 12, I got my boaters license. Our family has a 370 year history on these waters, and I couldn't be more proud to be the Princess of BYC. It allows me to stay connected to my values of service and Maryland's pride and treasure: the Chesapeake Bay.

***Kylieanne Hershey***  
***Bodkin Yacht Club***

My name is Kylieanne Hershey. I am Bodkin Yacht Club's 2020 princess. I am a senior at Annville-Cleona High School, where I have an internship with a kindergarten teacher. After graduating, I will be attending Harrisburg Area Community College to study early childhood education. My dream is to work with kids and to eventually open my own daycare. During my free time some of my favorite things to do are babysitting, coloring, being outside and hanging out with my family and friends. The charity I chose to support is Furnace Hills Camping Association. Their mission is to create outdoor activities for youth. I chose this charity because I work closely with them and I want to help younger kids make memories like I did through outdoor activities. I have been in Girl Scout for 13 years and I help run a troop for younger girls. Girl Scouts is where I got the feeling of wanting to help and teach kids.

***Tori Najera***  
***Crescent Yacht Club***

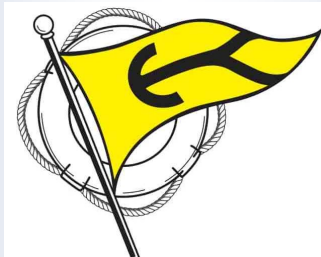

Hello, I'm Tori Najera and I am Crescent Yacht Club's 2020 princess. I am a sophomore at Dulaney High School, and have a busy theatre schedule after school, but I absolutely love participating in the program. The theatre program is a great outlet for my dramatic side, I've created a family there, much like the one I've created throughout the yacht club community.

The Semper Fi Fund is an organization that specializes in helping all branches of the military. They help our service men and women by providing financial aid, education, career assistance and wellness support in order to help them ease back into society after serving our country. Thankfully, this program has helped over 21,000 service members to date, and I couldn't be happier to help raise money for this charity.

Princess Tori

***Kelly Lange***  
***Eastern Yacht Club***

Hello all! I am Princess Kelly Lange of Eastern Yacht Club (EYC). I am currently a junior at Catholic High. I am an Honors Student and am currently a member of three Honor Societies. I am in the Biomedical Program at Catholic High to begin studying for my future career in the medical field. It is my goal to work in the pediatric branch of the medical field. I am also on my school's varsity soccer team and varsity golf team. I am very involved in school, my church community, and the yacht club community.

I have devoted my time to being Princess of Eastern Yacht Club, not only to become more involved and to add my own touch to the community, but to also raise money for a charity that is very special to me. I am representing the GBMC NICU. I was born as a triplet, three months premature, and would like nothing more than to give back to the place that got me to where I am today.

As Princess, many opportunities have been opened to me. I am very excited to see where this journey will take me and am so glad that EYC allowed me to represent them for the 2020 year.

Princess Kelly

***Jessie Mackrell***  
***Kent Island Yacht Club***

Hello, my name is Jessie Mackrell and I am the Princess of Kent Island Yacht Club. I am a currently a junior at Kent Island High School. I'm actively taking an honors 2-D art class and participate in photography club to pursue my love for art. As of right now, I plan to attend Salisbury University after my senior year.

For my past 2 years as Princess, my charity has been Bay Love. Bay love is the collaboration between me and The Chesapeake Bay Environmental Center (CBEC), a nonprofit located in Grasonville that works actively towards the restoration and protection of our Bay. Over the years, I have raised money for them by doing bake sales at my clubs turkey shoots. I have also sold bottle cap art made from used bottle caps to help keep them off our beaches and harming our sea life. This year, I had Bay Love reusable straws made and sold at my club to help reduce plastic straw usage. All proceeds went to CBEC.

At my club, I enjoy participating in events like "Best Kids Day Ever" where me and other volunteers dressed as Disney characters around Christmas time for groups of kids. I also worked at my club to collect donations for the Haven Ministries Homeless shelter during the holidays. I also do 50 50's at my club frequently to support my charity. I also mentor 2 Junior Princesses at our club.

In my personal life, I enjoy going out with friends and trying new things. This year I got my boaters certification so I can spend more time boating with my family and yacht club members!

Princess Jessie

***Ellie Hermann***  
***Maryland Yacht Club***

My name is Ellie Hermann and I am the 2020 Princess for the Maryland Yacht Club. I attend Northeast High School as a sophomore Honor Roll student, where I am involved in Student Government Association (SGA), Students Against Destructive Decisions (SADD), and Interact (a division of the Rotary Club). I am also a cheerleader, and I run track in the spring. I am involved in my school's drama department, where I have designed numerous costumes for both the Wizard of Oz and The Little Mermaid. With the help of my Interact Adviser, I organized a Prom Dress Drive where we collected 400 prom dresses, and distributed them to students throughout Anne Arundel County. In addition, I have been a Girl Scout for 11 years, and am working on my Gold Award in the field of Mental Health. But one of my proudest achievements in High School so far has been my work with the House of Addictions (2018) and the Human Experience (2019) where I played an integral role in planning and executing the event from start to finish. We highlighted the realities of addictions and mental health, and presented recovery and coping strategies. Over 1,000 people attended our event at the Marley Station Mall.

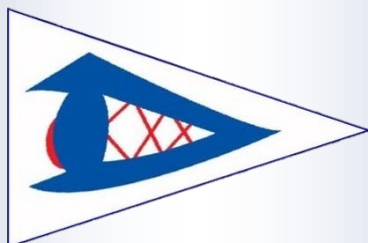

My charity is the MYC Junior Sailing Program. I feel that this charity is important because it not only helps children learn to sail, but it also teaches important life skills, and can be an outlet to help alleviate stress and anxiety. In addition to learning how to sail, the kids also get a real appreciation for the Chesapeake Bay and everything that it entails. They get to enjoy spending time on the water, but also learn how important it is to take care of the Bay, so that it will always be available for them to enjoy. So my charity is about conservation, life skills, and making sure that there is a future generation to continue to appreciate the Chesapeake Bay.

My hobbies include boating, travel, scuba diving, paddle boarding, swimming, and spending time with friends and family. In the future I am hoping to attend UCLA's School of Theater, and major in Costume Design.

Ellie  
Princess

***Kaitlynn Gaff***  
***Red Eye Yacht Club***

Hello, I am Kaitlynn Gaff and I am the 2019 Princess for Red Eye Yacht Club. I have been involved with the yacht club since 2012 when my grandfather, Past Commodore Len Long, joined Red Eye. My family are avid power boaters and have passed the love of the water onto me.

I have a love of softball and music. I love to get up and sing, whether it be current pop music or our National Anthem. I started learning to play the trumpet because I wanted to be able to play Taps at my grandfather's Opening but I wasn't ready to play then. Ultimately, I did get a chance to play for him but sadly it was the following year at his memorial. I've been able to pursue my dreams of music by attending Patapsco High School Center for the Arts as part of their Instrumental Music Program. I was introduced to Marching Band, which I quickly developed a passion for. Learning to walk on my platforms was extremely difficult and I didn't realize how much of a physical demand marching could be.

Family is such a big part of my life. I was raised to believe memories are more important than material things. That's what we do, we make memories. Whether it's going to Disney, traveling to other countries, boating, running the bases in a game or just spending time with one another. Nothing is more important than your loved ones.

I've been taught to help my fellow man and the resources that God has provided us. With that I chose to advocate for three charities this year. My first charity will always hold a special place in my heart. Running the Red Shoe Shuffle 5K for the Ronald McDonald House is what started me on giving back to the community. Over the last few years, I have been able to collect cans to be recycled, and have my own team to run in the Red Shoe Shuffle, and had my first charity event in the form of a Roller Skate Party. This year I decided to raise money and awareness for two other charities. The Gary Sinise Foundation offers support to active and retired military as well as first responders. During the COVID-19 pandemic I have been selling "Support our First Responders" pins to raise funds for the foundation. Finally, I have offered my services of singing the National Anthem or playing Taps in exchange for a donation made out to the Maryland Waterways Foundation. MWF, under the leadership of Commodore Sam Weaver and Karen Wynn helps clean up the waterways around the Chesapeake Bay as well as providing education to today's youth about ways to change the way we treat our natural resources.

As I said earlier, family is my life but family is not just blood. I have made many new friendships around the yacht club community that have blossomed into "family" relationships.

Princess Katie

***Gracie Reed***  
***Sue Haven Yacht Club***

Hello, my name is Gracie Reed and I am Sue Haven Yacht Clubs 2019-2020 Princess. I am a Sophomore and Honor Roll student at Bel Air High School. I am a member of Best Buddies and Hope Club. I am also the Manager for Varsity Wrestling Team. Although I have participated in multiple sports and organizations growing up such as Flag Football, Field Hockey, Soft Ball, Lacrosse, Soccer, Dance and even the Girl Scouts, I find that I enjoy Competitive Swimming the most. Being a swimmer and my participation with Best Buddies is what led me on the path to choosing my charity Maryland Special Olympics.

Maryland Special Olympics is an organization that was founded in 1968 and its purpose is to provide year-round sports training and athletic competition in a variety of Olympic -type sports for people with intellectual disabilities, giving them the opportunities to develop physical fitness, demonstrate courage, experience joy and participate in a sharing of skills and friendships with their families and other Special Olympic athletes in the community. There are over 7,700 athletes who currently benefit from this organization each year. And the numbers are growing. With the Maryland Special Olympics as my charity, I thankfully raise over \$2700 prior to participating in the Polar Bear Plunge this year. I was joined in this adventure by a few of my fellow Princesses, Queen Dulayne and various supporters throughout the yacht club community. My goal is to raise over \$5,000 for the Maryland Special Olympics by the end of my reign as princess.

In my free time, I enjoy drawing, arts and crafts, kayaking, hanging out with my friends, playing board games with family. Traveling around the Chesapeake Bay with the boat clubs and meeting new people. After Graduation, I plan on attending the US Coast Guard Academy in Connecticut where I wish to major in Marine Biology.

As we travel around this beautiful Natural Resource known as the Chesapeake Bay this year, I am truly honored to be representing Sue Haven Yacht Club as their Princess. I am looking forward to making new friends and many more memories along the way.

# Scoring Breakdown & Criteria

## **Achievement - 25%**

Her achievement score will be based on the information she provides in the achievement section of her Queen of the Chesapeake Pageant application. Achievements can include any extracurricular activities, leadership experience, academic honors, and awards received. Categories include school honors, sports activities, school organizations, and community activities. Judges will also be looking at the Princess' ability to connect with interviewers, how personable she is, her professional appearance and body language.

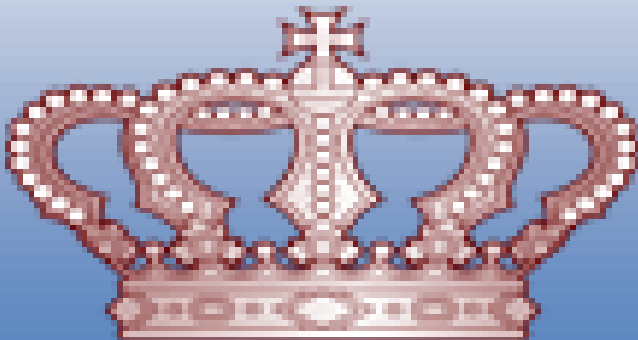

Judges will be looking at how well-rounded, what Leadership experience and Community services, Academic honors and awards, Variety of talents/hobbies she may have and accomplished.

## **Interview - 25%**

The Contestant's interview will count for 25% of her final score. The actual interview will consist of the Contestant talking to a panel of three judges for 10 to 15 minutes. The interviewer will ask questions about the Contestant such as her interests, her aspirations, and her opinion on general subjects. Their goal is to learn more about the Contestant's personality as well as her ability to be engaging during a conversation, and how quick she responds to the questions asked. Judges will also be looking at the Princess' ability to connect with interviewers, how personable she is, her professional appearance and body language. The Interviewers will not ask her any trick questions or ask her questions with right or wrong answers. She will be expected to wear professional attire.

## **Essay - 15%**

The Contestant's essay will count for 15% of her final score. Her essay should be 200-225 words on the specific topic which is included in her application. It should be submitted with her completed pageant application. Content will be the primary scoring criteria for this category. Following guidelines and using proper grammar will be considered as well in this category.

# Scoring Breakdown & Criteria

## **Openings - 10% (This year so no Princess is disadvantaged, each Princess will receive 10 points)**

The Contestant's total number of yacht club openings that she has attended this season will prorated for 10% of her final score. Her attendance at openings reflects her participation and commitment to the yacht club community. She will announce this number during her introduction on Pageant Day. The judges will calculate her openings score using the following scale:

20+ Openings Attended = 10 Points	10-11 Openings Attended = 5 Points
18-19 Openings Attended = 9 Points	8-9 Openings Attended = 4 Points
16-17 Openings Attended = 8 Points	6-7 Openings Attended = 3 Points
14-15 Openings Attended = 7 Points	4-5 Openings Attended = 2 Points
12-14 Openings Attended = 6 Points	2-3 Openings Attended = 1 Point

## **Poise/Presentation – Pageant questions - 15% as a contestant**

The Contestant's poise/presentation will count for 15% of her final score. The Contestant's poise/presentation score will be based on the judges' overall impression while she is escorted, seated on stage, and speaking publicly during the Sunday portion of the Pageant. They will be looking for her ability to speak effectively and intelligently during her introduction, speech, and while answering questions. Her score will also be influenced by her ability to command both the judges' and the audience's attention by her poise and confidence.

## **Poise/Presentation – Final question – 10%**

The Contestant's poise/presentation will count for 10% of her final score. The Contestant's poise/presentation score will be based on the judges' overall impression while she is escorted, seated on stage, and speaking publicly during the Sunday portion of the Pageant. They will be looking for her ability to speak effectively and intelligently during her introduction, speech, and while answering questions. Her score will also be influenced by her ability to command both the judges' and the audience's attention by her poise and confidence.

As this historical nightmare continues around us, please remember the great times we have all experienced in the past and know that our TOBCA extended family will keep you in our prayers to come through this healthy and safe. We look forward to the days ahead when this pandemic is no longer a deadly threat, and we all can gather once again at openings, balls, meetings, and more. Til then, please do your best to stay safe and know that there will be brighter days and years ahead. We wish safety and happiness to all of you and your entire families

*The Best of Luck in the*

*Queen of the Chesapeake Pageant*

We know this has not been a usual year for you Princesses. Although you did not get to experience attending club's Openings, you were there representing you clubs at the Balls. Your efforts and devotion to duty are really appreciated. In life there will be many challenges and restrictions. However, if you face these obstacles knowing that if handled correctly, you will become a stronger and better person. Look out were you walk and don't step on those mice, they could help you with a dress.
