PAGEANT HISTORY

Racing Events, some with sailing yachts — some with hydroplanes, Regattas, a fantastic new club home — was not enough for Maryland Yacht Club Officers and members. They combined Flag-Raising ceremonies and the crowning of the “Queen of the Chesapeake” on the first Sunday in June 1947. Thus our Royal Beginning. Our first Queen was Mrs. Mae Sgerman of Towson.

In 1948 Flag-Raising ceremonies, crowning of the “Queen of the Chesapeake,” introduction of a new speedboat class and three other events for powerboats highlighted the 40th anniversary opening of Maryland Yacht Club. This event, witnessed by over 5,000 spectators, was the first of its type to be televised on the Chesapeake Bay. Miss Rachel Holmes, representing the Bush River Yacht Club won the coveted crown as she competed against six other young ladies then dubbed “Princesses.”

For many years this truly became a competition between Yacht Clubs to the ‘girl next door’ who can think on her feet and become a spectacular representative of each club. The pride that each club shows in their “Princess” is very special and feels the happiness and pride — not only of each girl and her family, but of each of the officers of her club.

Over the years, the number of Pageant contestants has greatly varied — starting with 6 clubs participating and peaking in 1997 with 20 or more entrants. Recently the number of Princesses competing ranges 3 to 8. In the early years — there were no microphones — and the audience made up of members of visiting clubs and families pressed the fence behind the judges table to hear the questions posed to the girls.

The Pageant has evolved to highlight the significant changes in roles of young women over the last 72 years, reflected in the Scoring Breakdown which equally weighs Achievements, Interview skills, and Poise/Presentation. Today’s Queen of the Chesapeake and First Runner Up will receive scholarships toward her continuing education. We still hold strong to the tradition of wearing the beautiful white gown and speaking before judges, members of the yachting community as well as friends and family members.

In 2017, the 70th Queen of the Chesapeake Pageant has grown from the Sunday segment of Maryland Yacht Club’s Opening Weekend to its own premiere, weekend long event focused on the Princesses and their achievements. The Weekend includes a themed boat decorating contest, scholarship fundraising activities, live music, food, and plenty of time to gather with friends as well as the traditional pageant ceremony. It now takes place after all the yacht clubs have had their openings, which allows the Princesses to focus on their studies during finals and to attend as many openings as possible. All of these activities have been made possible by the yacht clubs coming together and combining their efforts to making this a memorable event for these young women; an event reflecting the true meaning of community that comes with being part of a yacht club on the Chesapeake Bay!

Queen Mia

QUEEN MIA

DEAR YACHT CLUB FAMILY,

I remember being a little girl participating in my club's princess court and wishing time would quickly pass so I could be the princess of Bodkin Yacht Club. Thank you all for helping to not only make my dreams come true, but supporting me during this life changing event. Fulfilling the role as your 71st Queen of the Chesapeake has been full of anticipation, excitement, and honor. I'm humbled that I was able to serve the wonderful yacht club community.

The first official event I attended as Queen was Wounded Warriors Day on the Bay, which will be etched in my memory forever. From then on, every ball, opening, and yacht club related event I participated in taught me numerous life skills, including public speaking and self-confidence. The amazing teamwork, dedication, and true spirit of giving back is the fabric of this wonderful community where we feel at home.

This year I have continued to support the Chesapeake Bay Foundation and thank everyone who has helped me through financial contributions. During my reign as princess and Queen, you helped me raise over \$4,000 for this worthwhile and necessary organization. Once my reign is over, I ask you to please continue to be environmentally conscious and consider becoming a member of CBF.

I am a rising senior at Notre Dame Preparatory School, a Catholic school for girls, vigorously working to maintain grades as the college process has started. I am in five National Honor Societies and am a member of the Women in Medicine club. I continue to play piano at the advanced level and my recital was earlier this month. I run on the cross-country team and our season begins in August.

I am proud to say that I was selected as one of only a few high school students to serve as a summer volunteer for The Johns Hopkins Hospital Pediatric Emergency Department. I know my experience as Queen helped me throughout the interview process and I am excited to witness the Emergency Department firsthand. I hope to pursue a career in the medical field after studying it in college. In addition to boating, I am spending the rest of my summer as a lifeguard at my local YMCA.

Whether you escorted me at an event, helped during a fashion crisis, served as a dancing partner, or simply shared a smile when I needed it, everyone reading this has positively influenced me. Yes, I am seventeen years old, but I feel as if I have grown wiser and stronger through this experience.

Thank you for this amazing opportunity and for your endless support,
Queen Mia Sokol

Princess Kaelynn

Hi my name is Kaelynne Suprik and I'm the princess of Crescent Yacht Club for the 2018-2019 year. I am a junior at Patapsco High School and Center for the Arts where I play basketball and lacrosse and discovered my love for piano. I also take a child development class where we teach a preschool class. Outside of school and being a princess I like to be outside walking around, going to nature reserves and parks, and swimming, the reason summertime is my favorite. After high school I plan on attending CCBC to get my CNA or RN and then transferring to a 4-year university to get my bachelors of science in nursing. I also hope to begin a career as a midwife.

The charity I've chose to raise money for during my reign as princess is St. Jude. I chose St. Jude because I have a love for children and hope to work with them medically some day and there's no other charity I could think of that would be more perfect. Proceeds go to the cost of treatment, food, living, travel, and more for ill children and their families.

PRINCESS KAELYNNNE

Princess Adelle

Hi, my name is Adelle Marcic and I am Princess of Maryland Yacht Club. I am a junior at Chesapeake High School where I am a member of the Future Business Leaders of America Club, the String Orchestra, and a member of the track, tennis, and unified tennis teams. I am also secretary of the National Honor Society at my school and a member of the Spanish Honor Society. Over the Summer, I am a sail camp instructor at Eastport Yacht Club and race on my family's sailboat every week with Rock Creek Racing Association. I volunteer at my church constantly throughout the year doing things like making blankets and casseroles for the homeless, and I was a volunteer helper at the High School Youth Ministry and the elementary Sunday School class throughout the year.

My charity is a 501(C)3 non-profit organization, the Maryland Yacht Club Junior Sail Program. I chose this charity because I learned how to sail through our summer program when I was 9 years old, almost 8 years ago, and the program taught me one of the skills and passions that I value most in life. I love sailing and I sail almost every day over the summer, so giving back to the program that sparked my passion is extremely rewarding. I love that I get to help raise money for a program that can do the same for younger kids! I hope everyone has a fun and safe summer!

PRINCESS ADELLE

Princess Dubayne

Hello, my name is Dulayne Sterling and I am Bodkin Yacht clubs 2018-19 Princess. I am an eleventh grade, Principal's Honor roll student at Chesapeake High school. My schedule consists of five AP classes, weightlifting, architecture, and an aiding period where I work hands-on with my charity. My GPA is 4.71, I am a member of the National Honors Society, and participate in various clubs ranging from art club, yoga club, to my charity Best Buddies.

Best Buddies is an organization that is dedicated to ending the social, physical, and economic isolation of the 200 million people with intellectual developmental disabilities, commonly referred to as IDD. My involvement in the fight against these many isolations includes mentoring, participating in numerous community activities, and spending time with ten of the Best Buddies in school.

I've also participated in the Polar Bear Plunge four years in a row, raising money for the Special Olympics. My hobbies include playing club soccer with Maryland united traveling-participating in Collegiate showcases, drawing, volunteering, lifting weights, paddle boarding, boating, hanging out with friends, listening to music, coaching soccer, and being with my family. In the future, I aspire to attend college in North Carolina and major in a Pre-medical track, minoring in Biology, with the ultimate goal of attending Medical school to become a Dermatologist. I am honored to be representing my home club, Bodkin Yacht Club, at various events around the Bay and to be a part of the yacht club community.

PRINCESS DULAYNE

Princess Jessie

Hi, my name is Jessie Mackrell. I go to Kent Island High school and I am in the 10th grade. In school, I am a part of a club called We The People, where my friends and I work together to discuss social issues, attend seminars and create activities around the school to make people smile and promote acts of kindness. Through this, I learned the importance of being kind to others and how small acts can go a long way! I enjoy photography, as well as listening to and making music. Living on Kent Island all my life, I have also come to love being on the water, from fishing and crabbing, to cruising down the Chesapeake Bay with my parents. I take joy in going down to my club and spending time with the members and staff, as they have become a second family to me.

My charity, Bay Love, supports the Chesapeake Bay Environmental Center, which helps preserve and protect the beautiful Bay that I have grown up on. I have had lots of fun being Princess of Kent Island Yacht Club this year, and I can't wait to see what the future holds!

PRINCESS JESSIE

Princess Stephanie

My name is Stephanie Glinsky, I am a Senior at North Harford high school and I am member Joseph Glinsky's daughter. I am honored to be given the opportunity to be Middle River Yacht Clubs 2017/2018 and 2019 Princess. I am continually having fun around the bay making many unforgettable memories, meeting new people and making lifelong friendships with the queen and princesses.

This upcoming boating season as princess I expect our clubs to have a stress free, happy, and safe year enjoying the national treasure that many of us call home, the Chesapeake Bay. To help the Chesapeake Bay continually improve its health I have started my own organization Bay B Beautiful, where the goal is to simply make the Bay B Beautiful for future generations to enjoy. I started my own organization so that I could work hands on helping the bay rather than just blindly donating to a large organization. When you have a chance please check out my organization to find out more and support me in making the Bay B Beautiful on Facebook @Bay B Beautiful and at www.baybbeautiful.com.

In closure I would not only like to thank all the clubs along the bay for giving me so many amazing memories over these past years, but also for giving me the opportunity to be part of the Chesapeake Royalty, I will forever be grateful for the lessons I learn and the journeys I take.

Sincerely with love, Princess Stephanie Glinsky

PRINCESS STEPHANIE

Princess Madeline

My name is Madeline Coard and I am the 2019 Princess for the Baltimore Yacht Club. I am a sophomore at Bel Air High School. Adhering to my family's 370 year relationship with the Bay, I got my sea legs before I could run, and by age 12, I got my boaters license. An important value to me is service and philanthropy. For the past 11 years, I have served my community as an active member in Girl Scouts of Central Maryland and am currently a Cadette. Over the years, I have supported several charities, including the Multiple Sclerosis Society, American Heart Association, Upper Chesapeake Cancer Center, and Best Buddies, a program for disability awareness.

As Princess, I chose Alzheimer's Foundation of America as my charity, to honor a member of BYC. This summer, I am looking forward to working as a lifeguard and, in my free-time, playing on our beautiful Chesapeake Bay.

PRINCESS MADELINE

Princess Reilly

My name is Reilly Nickel and I am honored to be Eastern Yacht Clubs 2018-2019 princess. I am currently a junior at Towson High School, involved with many extra curricular activities and clubs along with the National Honor Society. I enjoy spending time with my friends and family, listening to music, and playing sports. I grew up loving and playing multiple instruments including the guitar, bass guitar, piano, violin, and the ukulele. I love playing and coaching soccer, playing lacrosse, running track, drawing, snowboarding, going to concerts, photography, swimming, and of course spending time on the water. I am extremely proud to be representing Eastern Yacht Club around the bay and love being part of the yacht club community.
